Notes for the Region Reps

Thank you for choosing to represent your intergroup at the Spring Assembly, March 17-19, 2023. This packet is being distributed electronically. All Reps are responsible to read the material in the packet and have it available during the assembly. Please read and familiarize yourself with the information in the packet prior to the assembly. You will be able to give better service as a Rep for your Intergroup by having the information in this packet with you at the assembly. Please contact secretary@oaregion8.org if you have any questions.

What do I need to do before attending the assembly?

1. Have your intergroup chair fill out a certificate of eligibility form for the reps coming from your intergroup. They can do this here:
 - a. ENGLISH: [Link to COE Form](#)
 - b. SPANISH: [Link to COE Form](#)
2. Registration – the fee is \$25. On the Region 8 website oaregion8.org
3. Fill out a [committee assignment sheet](#) and send to secretary@oaregion8.org
4. READ THE VIRTUAL ATTENDEE INFORMATION IN THIS PACKET!!

For more details on these items and other details specific to your role as a rep, please read the information on the next page.

CERTIFICATE OF ELIGIBILITY In order for your Intergroup Region 8 Representatives to be able to vote at the assembly, **your Intergroup must have a Certificate of Eligibility on file with the Secretary that is valid for 2023. You can fill out the Certificate of Eligibility online at our website, www.oaregion8.org. Select the documents tab, fill in the information and hit submit! There is a Spanish and English version of the form online.** You no longer need to mail or scan and email the form. If you need help filling out the form, contact the Secretary. All Intergroups are requested to submit a new Certificate in January of each year AND during the year any time there is a change in IG Chair, Reps or Alternates for a Region 8 Assembly. Voting at the assembly is the best way to show how much you support a healthy Region 8!

COMMITTEE ASSIGNMENTS Part of your responsibility as a Region 8 representative is to participate in a committee. Please select which committee you prefer to participate in when completing your assembly registration. Preferences will try to be accommodated but are not guaranteed. Please complete this portion of the assembly registration even if you are currently part of a committee. If you missed this portion of the assembly registration, please complete the sign-up sheet which can be found here [Committee Selection Form](#) and contains a brief explanation of each committee. If you were a Rep in the last assembly, you will be placed in the same committee as last time. If you desire to change committees, please first contact your Committee Chair, and then contact the Secretary at secretary@oaregion8.org.

ASSEMBLY REGISTRATION FORMS Registration forms for this assembly can be found at www.oaregion8.org.

CALLING ALL INTERGROUPS We need you. Please send at least one representative to our Region Assembly. There is much work to do, and we need you to get this work done. Your voice is needed. Not only will your

Intergroup be represented for important decisions but you will be helping the hosting Intergroup.

Funding may be available for this business assembly and is available for future assemblies. If your Intergroup is unable to financially send at least one Representative to the business assembly, perhaps Region 8 can help you for a future assembly. You can submit the Representative Funding Application from [Representative Funding Application](#). Contact the IGOR Chair (igorchair@oaregion8.org) for more information. We appreciate your service and need you.

HOSTING A FUTURE ASSEMBLY AND RECOVERY CONVENTION We will be accepting bids for a future Assembly and Recovery Convention at this Business Assembly. This is a great way to raise funds and promote OA in your area. Contact the Region 8 Vice-Chair (vicechair@oaregion8.org) with any questions or to request support. The Vice-Chair's contact info is in the SOAR 8 Service Directory and on the SOAR 8 website under trusted servants.

HAVE MORE QUESTIONS? Please feel free to contact any Board Member or Committee Chair with anything that concerns you. Email addresses and phone numbers for all Board Members and Committee Chairs can be found in the Region 8 Service Directory below.

Standing Rules

These rules take precedence over Robert's Rules of Order. They may be suspended by a 2/3 vote using a Motion to Suspend the Rules, Participation in Assembly

1. Voting member must wear appropriate identification badge/ribbon denoting Rep, Funded Committee Chair, or Board Member.
2. The Secretary shall make a credentials check at the beginning of each session, and prior to any important vote, as deemed necessary by the Chair.
3. Any registered member of the Assembly may participate in Assembly procedures, e.g. vote, make a motion, speak to a motion, etc. Non-voting members may have a voice at the discretion of the Chair.
4. There will be a consent agenda consisting of routine non-controversial matters. The chair will determine the matters that will be placed on the consent agenda. Any voting members may go to the center microphone to request that an item from the consent agenda be considered separately. The consent agenda shall require a 3/4 vote for adoption.

Voting Procedures

1. Vote may be taken by voice, show of hands, standing, or ballot, at the discretion of the Chair.
2. A voting member may request a more accurate vote count by simply calling out "Division." The Chair may then use a voting method which assures an exact count.
3. The Chair may also call for division by stating, "The Chair is in doubt."
4. Ballot vote will be used for elections. Ballots will be distributed, collected, and tallied by non-voting members appointed by the Chair. After announcement of results, motion is in order to destroy ballots.

Recognition

1. Voting members who wish to speak shall, from the center microphone, give their name and Intergroup, and wait for recognition from the Chair. If necessary, to get the Chair's attention, the voting member may say "Madam/Mr. Chair," but may not speak further unless recognized by the Chair.
2. For certain procedures, the voting member, from the center microphone, may display a sign to gain recognition from the Chair (e.g., Point of Order, Point of Information, Parliamentary Inquiry, etc.).

Motions and Debate

1. Process for New Business Motions
 - a. Secretary will distribute minutes of the Business Assembly to the Board and Committee Chairs electronically no later than fifteen (15) days after close of the Business Assembly. New motions will be contained in the Committee Reports of the minutes.
 - b. New motions arising out of committees during an Assembly shall be communicated to the Secretary within fifteen (15) days after the close of the Assembly at which they emerge. After Board notification the Secretary shall forward these motions to the Bylaws/Electronic Documents Chair within twenty-one (21) days of the close of the Assembly at which they emerge.
 - c. New motions arising outside the Business Assembly shall be submitted to the Secretary at least sixty-five (65) days prior to the Region 8 Business Assembly or special Region 8 Business Assembly at which action is to be taken on the proposed motion.
 - d. Motions must be formatted to contain the intent, the proposed motion, any possible effects (costs, time, other committees affected, etc.), date of implementation and a list of necessary changes to be made to the Policy & Procedure Manual for consistency or congruity.
 - e. The Bylaws/Electronic Documents Committee may suggest changes in the motion to the maker to facilitate arriving at a more suitable version for submission to the next Business Assembly if the passing of the motion, as initially proposed, would:
2. create incongruity within either the Policy & Procedure Manual or the Bylaws,
3. be in contradiction to or with either the Policy & Procedure Manual or the Bylaws, or
4. result in an adverse, unintended effect unrelated to content, intent or rationale (such as, but not limited to, language or structure).
5. The Bylaws/Electronic Documents Chair will submit the reviewed motions to the Secretary electronically, no later than (sixty) 60 days after the close of the Assembly for inclusion in the mailing packet for the following Assembly.
6. No motions other than emergency motions will be taken from the floor at the Assembly. Emergency motions shall be submitted to the Bylaws/Electronic Documents Chair before the lunch break on Saturday of the Assembly.

7. There will be a maximum of three pro and three con speakers to each motion. There will be a maximum of two pro and two con speakers to each amendment. Each speaker may speak for a maximum of three minutes.
8. Pro and con speakers shall use the appropriate pro/con microphone. While waiting to speak, pro/con speakers may queue at the microphones.
9. A voting member may not speak on two consecutive motions or amendments unless the maximum number of speakers has not been reached.
10. The first speaker is always pro, and is usually the maker of the motion (unless he/she wishes to have another voting member speak).
11. If more than the maximum number of speakers' wishes to speak to a motion, they are encouraged to select among themselves those speakers who can best represent their views.
12. There shall be at least one pro and one con speaker before any discussion on the motion is taken from the center microphone. Voting members who wish to speak shall follow the recognition procedure outlined above.
13. A motion to close debate (Previous Question) or limit debate is in order for motions or amendments, and requires a 2/3 vote.
14. To save time on a simple amendment to a motion, the Chair may ask the maker of the motion if he/she would be willing to accept a "friendly amendment." If the maker of the motion agrees and there is no objection from the Assembly, the motion is changed to include the amendment.

Miscellaneous Rules

1. No smoking is allowed in any Assembly room.
2. No animals are allowed in any Assembly room, except guide dogs and service animals.
3. All cell phones, beepers and 2-way pagers are to be set on vibrate or turned off.
4. Voting members are not to leave or enter the Assembly room while votes are being taken.
5. No eating food allowed during the business session.

America she has done with Dora (our trustee). b. Vice-chair: Tina S Manasota – are we looking for a virtual host only, or can it be either/or? Vice chair - explained that we don't have a host for Spring, and the intergroup gets to choose. If a group volunteered at this short notice it would need to be virtual. Q – Roz SW Florida—is Fall only going to be face to face, or is it going to be hybrid? Vice chair answered that it will probably be hybrid. Q – Annie, rep from Central FL – wanted to know if their intergroup decides they can do it, what is the process? Vice chair answered that they would need to get in touch with the board and they would either approve the bid or not (this was a guess). Send to vicechair@oaregion8.org that you want to, and that person would bring to the board. Q - Carol H from SW Alabama – what happens if no one volunteers? Vice Chair – the board will host it and there will still be assembly. Q – Ingrid ways/means chair. Wanted to thank Melissa for her support in interpretation and S. American representation.

DRAFT

- c. Treasurer – Q – Melissa Vice Chair – What is your biggest hope for the biggest year. Treasurer answered: hopeful that we can use the funds Region 8 has to help the compulsive overeater in our area in their recovery. Q. Kathy M, Central Florida intergroup – our 37k prudent reserve – what is that due to. In Central Florida we have the same problem, how is the board handling it? And what are you going to do about it? Vice chair answered: that line item is the prudent reserve which is in alignment with our bylaws. It is 42% of our budget. Q. Nancy K, New Freedom. TY/Loved her YouTube. Is 40-60% a recommendation or a standard? A. That is the recommendation for all service groups.
- d. Secretary: Sandra, New Freedom: what helps keep you organized? A. help and understanding from others. The excel spreadsheet schedule with dates that are due. The packet is just pulling together .pdfs that others send and copying the last packet.

Break 10 minutes (10:06am)

	22	Trustee Report (5 minutes for questions) Be sure to read the report before assembly.	<p>10:17am – Q. – Michelle/Treasurer – what does liaison to board mean? A. That’s a good question. We don’t really understand. Trustee can ask whether to give service to executive board of world service, or to a region. Bylaws say that the trustee will be a liaison to world’s board – not a voting member of the region. Region has autonomy. She was originally elected to be virtual region trustee but then it changed so she is just a trustee. Q. Roz SW Florida IG. What are the 3 service boards that she mentioned in her report. IGs, National Service Boards, Language Service Boards and region. A. In Region 8 we just have intergroups and national service board. Q. Where are the unaffiliated groups? In US or Other countries? A. Mostly in US. This means they act as an intergroup but they don’t register as an intergroup. Q. Carol SW Alabama Intergroup. - Should we have paid interpreters rather than members doing interpretation? A. – they are paid interpreters.</p>
--	----	---	--

	23	Final report from Spring Convention Memphis Be sure to read the report before assembly.	10:24 a – Gave Ellen the floor as chair of the last assembly. Gave the financials – 175 registrants. \$3,658 gross. expenses of \$484. Net: \$3374. dollars net split with region. Over \$400 donations were given which was part of the gross. Encouraged an IG to do a virtual region because it is so much easier than f2f. Q. Carol H, SW Alabama. Chair Report

Welcome to our Spring, 2023 Assembly. Time passes so quickly. I'm so happy to be here and to see you all.

Dora, our Trustee Liaison, and I continue to work to incorporate non-English speaking countries into our region. Frankly, Dora works at it harder than I and I'm so grateful to be working with her. She has done an amazing job serving our region.

On January 26, we had a meeting with members in Costa Rica and the Dominican Republic. With our virtual options and translation, it is so much easier for non-English speaking representatives to participate in Region. We had 27 participants including 3 interpreters (volunteer members), Dora and myself. We answered questions and heard from Costa Rica about their challenges. They are currently using AA literature as the cost to purchase or print our literature is prohibitive. Another challenge, as we found in other countries, is getting sponsors. If you or others in your intergroup are Spanish speakers and available to sponsor, please encourage them to volunteer.

Dora and I plan to travel to Argentina, Uruguay, and Paraguay this year to do service and workshops. I'm very excited about reaching out in this way. We can accomplish a lot over Zoom but there's nothing like face-to-face connection. I also hope to visit Costa Rica and the Dominican Republic later in the year.

In the fall, we will need to select Trustee nominees to send to conference 2024. The following are the qualifications taken from OA Bylaws:

Section 4 – Qualifications

a) Qualifications for trustee shall be:

- 1) Seven years in the Fellowship;
- 2) Five years of service beyond the meeting level;
- 3) Attendance as a delegate to at least two World Service Business Conferences;
- 4) Participation at the region level (the extent of participation to be determined by each region); and
- 5) Five years of continuous recovery in Overeaters Anonymous as evidenced by:
 - (i) five years of current continuous abstinence;
 - (ii) current maintenance of a healthy body weight for at least two years; and
 - (iii) emotional and spiritual growth as a result of incorporating into their lives the Twelve Steps and Twelve Traditions as a new way of living.

b) Qualifications for trustee must be met at the time the application for trustee is submitted to the WSO. Specifically, such trustee nominees must also have:

- 1) Worked through all Twelve Steps;
- 2) Declared themselves as practicing the Twelve Steps to the best of their ability;
- 3) Declared themselves as committed to the Twelve Traditions of Overeaters Anonymous; and
- 4) Affirmed these additional qualifications on their trustee application forms.

c) Upon election, each trustee shall make a commitment of:

- 1) Adherence to the Twelve Steps, Twelve Traditions, and Twelve Concepts of OA Service.
- 2) Continual recovery including abstinence and maintenance of a healthy body weight throughout the entire term(s) of office. Each person shall be the judge of their recovery including abstinence and maintenance of a healthy body weight.
- 3) Compliance with all the terms and provisions of the prevailing Overeaters Anonymous, Inc. Bylaws.

Just a reminder-I'm available to serve you and your intergroup. Feel free to contact me at chair@oaregion8.org with any questions or concerns you have. I'm also available for Service, Traditions & Concepts workshops and to provide any help your intergroup might need.

Region Chairs Committee

I was elected Vice-Chair of the committee. That means I get to keep time at our meetings. 😊 I am also responsible for keeping our Region Chairs Manual up-to-date and support the chair of the committee.

We welcomed several new region chairs at the end of last year.

We are currently working on a Forum to present at this year's World Service Business Conference. I'm excited to be attending in person this year and I hope to meet some of you for the first time. At least, face-to-face for the first time.

Vice Chair Report:

Hello Everyone,

I am honored to be serving as Region 8 Vice Chair, not elected but appointed directly following the Fall 2022 Assembly by your Region 8 Board. Serving on the Board is allowing me to learn and grow into the responsibilities of the position and I am grateful for the support they are giving me.

This is my first Assembly report as your new Vice Chair. However, I'm no stranger to Region 8 having participated for many years as a Funded Chair. Unfortunately I was not able to attend the Fall 2022 Assembly and Recovery Convention. However, to my understanding, my home group, Miami Dade and the Keys, did an outstanding job of hosting the assembly and Convention on very short notice! Makes me proud, thank you MDKIG!

We are looking forward to the Fall 2023 Assembly and Convention hosted by the New Freedom Intergroup. This will be the first **Live Face-to-Face** gathering of Region 8 since the onset of the pandemic. So pack your bags and meet us October 27-29, 2023 on Tybee Island Georgia!

At this writing we have a few IG's interested in hosting the Assemblies/ Conventions for 2024. There are no firm commitments as yet. Hopefully at the Spring Assembly, when you read this I will be able to report a commitment for Spring and/or Fall of 2024. It is not too late to consider

hosting in 2024 or 2025. Hosting is a great way to enhance your Intergroup's visibility, attendance and having the gratifying experience of carrying the message to our fellows. And...Region 8 will be here to help you every step of the way.

Thank you for the opportunity to serve you.

Love & Peace,
Lonna C., Vice Chair Region 8
Miami Dade and the Keys Intergroup (MDKIG)

How rewarding it is to be the Region 8 Treasurer! I have access to help in a significant way Region 8 and the Intergroups in the Region with their goal of helping the still suffering compulsive overeater. It is also a meaningful component of my ongoing commitment to abstinence and living this program.

I will be cycling out of the Treasurer's position at the Fall 2023 Assembly. If you are interested in serving as the next Region 8 Treasurer, if your Higher Power nudges you, please reach out and we can chat about the position.

Thank you for this opportunity and trusting me with the Region 8 funds.

Secretary Report:

Hello fellow OA members. I am excited to serve on the Region 8 board. I have attended several Region 8 assemblies as an intergroup representative and committee chair. This is a new role and an opportunity to learn and grow. In this role I get to meet and interact with many members of the OA Region 8. I have started reorganizing shared files in the Region 8 DropBox to allow information to be better accessed. I encourage anyone new to region service to reach out to others who have previously served and to practice your program first and foremost. I am grateful to act as the liaison with the tech and web committee. They are taking action to make the website calendar more useful for committees and to align our By Laws and PnP to match current practice that the committee does not directly manage the website.

Thank you

JC D.

Trustee Report

Hello dear region 8 members and trusted servants, I am grateful that I can be the trustee liaison for this region, where I was, always, welcome.

Since our last assembly I had a personal health problem and I needed to slow down to self-care.

It is amazing how the region 8 board received me with open arms and how we have to keep in touch with Latin America. As I live in Brazil it is easier to connect with people in Brazil. It is wonderful to see the happiness about this connection. The interpretation makes our communication better with people who don't speak English but is beyond the interpretation/translation. It is important, in my opinion, that people can give service in their own language. It is important that people who don't speak English have available guidelines from WSO and region 8.

At this moment we (Susan B the chair and I) are creating a translator/interpretation list in region 8. And we are organizing a service position (volunteer) called DD, originally designated download that was to only download material and send to the members. In an international region they are designated download and translators. This is an amazing service that I could give when I was a newcomer in OA and now I can see how they can help us translating material to Spanish and Portuguese. At this moment we have two DD&T for region 8 in Portuguese and one in Spanish. We need people who speak Spanish to help us in this service. If you are willing to come with us please let us know (The trustee and the chair). We have the Assembly agenda in Portuguese and Spanish, and some guidelines in Portuguese. I hope this can help members and bring them with us.

We keep trying to visit virtually the members in Latin America and we had a meeting with Costa Rica and Dominican Republic. We invited all Latin America and we had interpretation in Portuguese, Spanish and English. I am grateful to Sieni and Dani who helped us giving this service to us.

MEETINGS BETWEEN REGION 8 TRUSTEE AND REGION 8 CHAIR WITH MEMBERS IN LATIN AMERICA.

The Chair and the Trustee have a monthly meeting to discuss the things from the region and we understood that we needed to travel virtually through the region to hear the voices from people who don't speak English and are not in touch and receiving all the help that Region 8 can provide. WE are trying to have more interpreters to Spanish and discuss how the region can help the 95 meetings in Spanish and meetings in Portuguese

The last one was with Costa Rica and Dominican Republic and happened in January, 26th . We had the meeting in Portuguese, Spanish and English. The attendance was 28 members.

The meeting theme is:

WE NEED TO BE TOGETHER, REGION, INTERGROUPS AND NATIONAL SERVICE BOARDS

All are welcome!

Language: English, Portuguese and Spanish

The biggest problem for Spanish Speaking members in region 8 is not about the translation but about print the literature in each country.

REGION 8 ACTIONS AFTER THE MEETINGS WITH LATIN AMERICA:

We are inviting these members to the Region 8 assembly

We have Designated Download (and translator) for the Region 8, Two in Portuguese and one in Spanish and they are translating guidelines from oa.org and material from Region 8 as the agenda for our assembly. This material will be available in the region 8 website and I am sending a motion to the next BOT to change the name of this service position and update the flyer. The trustee and the Chair are working with them.

We have videos in Spanish and Portuguese to explain how to register a meeting and how to participate in the region 8 list.

A motion will be sent through the Region 8 board to create an international committee in Region 8 to provide a place to organize things in Spanish and Portuguese and bring non-English-Speaking members to the Region.

PERSONAL NOTE:

I am visiting the virtual meetings in Region 8 and it is amazing how virtual can connect us!!!! I hope I can meet some of you in this assembly and F2F in October!

If you speak Spanish and would like to give service as DD and translator , please let us know (Susan and I)

My service at the BOT:

I am the chair for the IPT committee, the service boards can ask help to publish literature (not only translation) and this can help our region.

I give service at the website committee and the ad hoc committee for the regions. I gave service at the ad hoc committee for zoom bombers.

I am grateful about all the opportunities that I have at the BOT. Lots of things that I have learned.

I would like to say thank you to Susan, the region 8 chair, it is a pleasure giving service with you.

Thanks

Dora

Final Report – Recovery Convention October 21-23, 2022

FINAL REPORT
REGION 8 BUSINESS ASSEMBLY AND RECOVERY CONVENTION
HOSTED BY MIAMI DADE AND THE KEYS INTERGROUP
OCTOBER 21-23, 2022

CHAIRS REPORT

There had been prior discussions within MDKIG about bidding to host this convention and it had come to pass that Brazil was agreeable and did assume the position of host. Unfortunately, or fortunately for MDKIG and the Region depending on how one looks at it, Brazil was unable to carry forward after some time for preparation had already passed. On that basis, a representative of the Region reached out to our Chair, Gary Davis, to see if MDKIG would have an interest in hosting the convention. Gary reached out to me as the Chair of the prior years' convention to get my thinking and, ultimately, we both agreed that it would be an honor to provide that service to OA; that it could be done within the provided time constraints; and, as I recall, that the matter would be brought to the full MDKIG for discussion and approval and in due course that did occur.

At the first meeting of Intergroup where we were able to start the process and in a wonderful collaboration of minds we themed the Recovery Convention as:

Celebrating the Solution:

A Weekend of Love and Light

Recovery Convention and SOAR 8 Business Assembly

We started with Gary D and I acting as co-chairs. Gary later, due to his elevating to a position with the Region, had to resign all of his positions with MDKIG although he did continue to stay active in supporting the endeavor. On Gary's elevation, I reached out to Tessa, a prior co-chair, and she agreed to assume that position. So we started with a core committee of 2 co-chairs. Unfortunately, Tessa had to give up the spot as the result a Hurricane which ran through the Tampa area. At the beginning I reached out to Taylor C-H, who was the tech chair of the prior convention, and she agreed once again to operate in that capacity. Taylor was simply brilliant and right there at every turn in setting up the tech and manuals for the convention and in also being a presenter on Sunday. Additionally, Anne Eustace, the MDKIG treasurer, agreed to assume the registration position which included setting up Eventbrite immediately as we were already behind the ball and she did these things selflessly and prudently. We were now a committee of three.

We also had the full support of the membership of MDKIG including Lonna C with her ability to disseminate information on the event around the Region; Terri W who is now our Chair and was a tech liaison to the Region; and, Lisa ___ and Andrea K who are always helpful in in any way requested. Vera agreed to prepare a flyer for the Assembly/Convention but she had to step down and that responsibility was assumed by Ann E. We did run into some technical trouble getting the flyer into a workable form but that was ultimately resolved. Going forward, there should be care taken to insure that the responsibility for that project is placed with someone

possessing the artistry and tech skill necessary to make that happen early so that the flyer can be posted everywhere and in every form that would be helpful to increasing awareness of and attendance for the event. Fela _ agreed without hesitation to assist with whatever translation services were necessary.

We met initially as a group on a monthly basis and gradually increased those meetings to weekly in the month run up to the convention. Also invited to those meetings were representatives of the Region.

The Convention was scheduled for Friday, October 21 through Sunday October 23, 2022. The affair was to initiate with the Business Assembly convening on Friday evening to include a combined three (3) speaker panel discussion; with a full slate of proceedings running side by side on Saturday beginning with Morning Meditation at 7 am followed by the Assembly and Convention both running all day and evening with the last meeting on the Recovery Convention side ending at 8:50 pm. The convention would start up again on Sunday morning with mediation and would end with a lunch time closing speaker. It was also decided in discussion at our monthly intergroup meeting that we would have on track only in our recovery convention.

The first order of business as to the presentation of the convention was to mold the form of the presentations to comport with the theme of the which we had chosen. This and having the best slate of speakers to carry that theme were critical to my always intent to make this an event which would lift the spirit of the attendees; to enlarge their spiritual experience; and to better imbue a sense of connection with our fellowship. I wanted to touch the hearts of our attendees and I think that we did just that.

Gary D came up with the ideas for the matching of the actual steps to the Love, Light and a Celebration of the Solution and he presented that format to me just before his elevation to a position with the Region. I assumed ultimate responsibility for the choice of speakers and did this in consultation with an inner core of other trusted servants. Fortunately, I had the experience of having chaired the prior years' MDKIG virtual convention and had definite ideas as to choice of speakers. The speakers chosen were probably of even split between local members and others both from the region and outside of it. I believe that the slate of speakers was excellent and carried forward with the themes as presented. Speakers were offered the option of registering for the convention on a scholarship basis.

On Saturday, after the Morning Mediation by Janey B, we started the recovery convention with a Spanish speaker meeting with translation. Additionally, the Saturday lunch speaker, which was a combined time slot, ended up being translated into Spanish languages on the fly based on the request and offer of the Region to provide translation. Our tech chair, Taylor, was able to brilliantly make the tech happen without any prior knowledge that it was going to occur. Great thanks to Taylor!!!! Beyond that the affair happened almost flawlessly and the speakers were all wonderful and I believe we satisfied our intent in hosting the event and providing a Spirit of Love, Light and a Celebration of the Solution.

In terms of recommendations for future events, I did not place sufficient emphasis on having enough people to disseminate information everywhere possible in order to increase the attendance numbers. Money is one of the bottom lines of the event.

We had 75 registrations for the recovery convention. For the Assembly, we had 41 reps, 8 board members, and 7 funded chairs for a total of 56 registrations.

Eventbrite deposited \$2725 into MDKIG account for those who paid by the Eventbrite website. This is the information provided by Ann E to your undersigned. Both Ann, in charge of registration and Taylor, as tech chair remained at the stations pretty much throughout the entire affair. They were really the structure around which the convention occurred.

INTENT:

To remove all references to “Region 8 Trustee” from the Bylaws. Trustees are now Trustee Liaisons, or will be referred to as Trustee in general

IMPLEMENTATION: Update Bylaws, immediately upon adoption.

COST: \$0

RATIONALE: The role of the Trustee has been redefined. The WSBC 2022 voted to Amend OA, Inc. Bylaws, Subpart B, Article VII – Board of Trustees, Section 1 – Composition. This vote effectively restructured the board composition to seventeen trustees instead of eleven region trustees and six general service trustees. The board officers will assign “trustee liaisons” to each region annually. Thus, trustees may be serving as liaison to a region different from the one from which they were originally nominated.

INTENT: The original wording of this section of the P&P is very confusing. Changes are proposed to reorganize the text in a more coherent manner, adding a more descriptive explanation of why the fund is needed, and moving some paragraphs around to make applying for this money easier. Also, to give the correct name of the form for applying for this money, and to indicate where to find it on the website.

INTENT: To amend the Policy and Procedures manual to reflect current practices since we have a separate, paid webmaster who is not a member of the Tech/Web (to be renamed “Technology Committee” if approved) committee.

IMPLEMENTATION: Update the Policy and Procedures manual and use the amended descriptions of the purpose and duties of the Technology Committee and the Webmaster as separate entities. If approved, changes will be adopted immediately. Any other changes as a result of these changes to P&P Manual and Bylaws will be noted by Bylaws committee at the next assembly.

COST: None

RATIONALE: Tradition 8 states that “Overeaters Anonymous should remain forever nonprofessional, but our service centers may employ special workers.” The Webmaster is currently a paid professional and acts as a separate entity from the Technology Committee. The Webmaster works directly with the Chair and Vice-Chair of SOAR 8 at present.

Splitting the duties for the Website off of the Technology Committee to a Webmaster role will allow the Tech Committee to focus its efforts on providing the best information technology (IT) support and assistance to Region 8 events and intergroups as possible.

INTENT:

To move “Abbreviated Terms Used in This Manual” from “Article I. Introduction” on page 1 to the new Appendix H, making corrections to the abbreviations list, and renumbering all pages correctly. Acronyms will mirror those in the Bylaws Glossary, and include the additional terms used in the P&P Manual.

- (1) By moving the abbreviations list from page one to nearer the end of the document, to enable adding all abbreviations found in the entire document or any new ones to the list without having to renumber most of the document.

- (2) To be consistent in abbreviations included in the abbreviations list and to include all abbreviations used in this document.
- (3) To make the abbreviations list more user-friendly by alphabetizing the abbreviations.

IMPLEMENTATION:

Correct and update P&P. Create a new “Appendix H. Abbreviated Terms Used in This Manual” and delete these terms from “Article I. Introduction” on page 1. Make corrections to the abbreviations list. The current “Appendix H. Index” will be changed to “Appendix I. Index”. All pages will be renumbered correctly. Implementation will be immediately upon adoption.

COST: \$0

RATIONALE:

Currently, the List of Abbreviations is incomplete, inconsistent, and in an inconvenient location for keeping it correct and updated.

INTENT:

To remove all references to “Region 8 Trustee” from the Policy and Procedure Manual. Trustees are now Trustee Liaisons, or will be referred to as Trustee in general.

IMPLEMENTATION: Update P&P Manual, immediately upon adoption.

COST: \$0

RATIONALE: The role of the Trustee has been redefined. The WSBC 2022 voted to Amend OA, Inc. Bylaws, Subpart B, Article VII – Board of Trustees, Section 1 – Composition. This vote effectively

restructured the board composition to seventeen trustees instead of eleven region trustees and six general service trustees. The board officers will assign “trustee liaisons” to each region annually. Thus, trustees may be serving as liaison to a region different from the one from which they were originally nominated.

Appendix B: Decorum in Debate

Robert’s Rules of Order Newly Revised, 11th Edition pages 391-394

“The following practices and customs observed by speakers and other members in an assembly assist the carrying on of debate in a smooth and orderly manner.” (RONR p. 391)

1. Confining remarks to the merits of the pending question.

Remarks must be germane to the question being addressed – must have a bearing on whether the motion should be adopted.

2. Refraining from attacking a member’s motives.

Can speak against the consequences of the action being proposed, but avoid personalities or attack motives of the member who has spoken or who has proposed the issue.

3. Addressing all remarks through the chair.

Speaker should not address comments to another member. If a member wishes to question comments made by the previous speaker, he/she must seek recognition from the chair and address the assembly. The speaker can then ask the chair to request an answer from the previous speaker.

4. Avoiding the use of members’ names. (used in large assemblies)

It is better to say “the member who spoke last” or “the delegate from_____”. Officers should be referred to by their office. The speaker may use first person in relating their views.

5. Refraining from speaking adversely on a prior action not pending.

Speaking on an action previously taken is allowed only when the issue is being reconsidered, rescinded, or amended.

6. Refraining from speaking against one's own motion.

A person can vote against their own motion but cannot speak against it. If the maker decides that the action should not be taken, he/she can ask permission to withdraw the motion.

7. Reading from reports, quotations, etc.only with permission.**

A member may ask permission to read a report or quotation, etc. while speaking in debate.

8. Being seated during an interruption by the chair. (used in large assemblies)

If the chair is asked to make a ruling, the speaker should be seated....and may resume speaking after the chair is finished.

9. Refraining from disturbing the assembly.

During debate or during voting, members should not talk to others or move about the assembly. (side conversations!!)

Notes About Zoom

1. Zoom is a web application that can be either downloaded onto your computer or used in your browser.
2. You can access Zoom at <https://zoom.us/>
3. You do NOT need to create an account.

4. You will receive a Meeting Identification and a password as we get closer to assembly.
5. You can access Zoom on a computer, on an iPad, even on your phone.
6. It is recommended that you update your Zoom software on your computer prior to assembly so that you have the latest version. When we give instructions at assembly we will be referring to the latest version of the software.
7. It is also recommended that you make sure that your microphone and speakers will work in the zoom application BEFORE the assembly so that you can participate in the entire assembly.
8. You will be able to listen and speak at the assembly without using the Zoom application, HOWEVER you will NOT be able to vote.
9. You need a webcam if you want your face to be visible to others. You can speak at assembly by either calling into a phone number or using your computer microphone.
10. To be recognized to speak at assembly you will be asked to use the 'raise your hand' utility. You will receive instructions on the this utility at the beginning of assembly
