

# MY INTERGROUP WANTS THE USED COMPUTER EQUIPMENT

Submit to [Chair@oaregion8.org](mailto:Chair@oaregion8.org) no later than December 1, 2021

The SOAR8 Tech Web Committee has two separate parcels of used computer equipment (see bottom of this form) that are being made available to Intergroups for their own use – we figured you could run your Intergroup meetings online or as a hybrid. Each parcel includes a laptop and some peripheral equipment. Intergroups will be chosen by a random drawing, provided they submit this required information by December 1, 2021.

## ***Requirements of the award:***

1. Someone from your IG must join the SOAR8 Tech Web Committee for two years (January 2022 through December 2023).
2. The selected IG must agree to reimburse the Region for shipping expenses regarding the computers; or make arrangements to pick it up (it is currently in Gainesville, FL).

Because we want a signature for receipt, each IG must identify ONE INDIVIDUAL with their home shipping address (NO PO BOX) in order for the equipment to be sent. Also, equipment is used and has been cleaned (CCleaner v. 5.85 program); but there is no guarantee that the programs you want will be present or working correctly (*i.e.*, you may need to download latest version of Zoom or update Windows).

## **REQUIRED INFORMATION:**

Intergroup Name	Intergroup #
Individual Receiving	
Address	
City	State
Zip code	Phone #

## COMPUTER EQUIPMENT INFORMATION

Each parcel was used as a set so they are compatible with each other. Original function was to broadcast a virtual meeting. There are NO SPEAKERS because our role was to transmit, not receive. Tech Web replaced these with upgraded components for a larger room.

### PARCEL ONE (LAPTOP, MICROPHONE AND CAMERA)

- 2015 Laptop\*, Dell Inspiron 15 with mouse and power cable (33308/SDPPI/2014/3878)
